# PICKLEBALL HANBOOK

Pickleball at CSL combines fitness, focus, and fun – blending elements of tennis, badminton, and table tennis into one fast-paced, team-spirited corporate sport. The aim is to ensure fair competition, teamwork, and respect on and off the court.

## Participation & Team Composition

- Each company may register up to 2 teams (Men's / Women's / Mixed Doubles).
- Each match will be doubles format (2 players per side, with 1 substitute allowed).
- A minimum of 2 players is required to start a match.
- Substitutions are only permitted between matches, not during active play.
- All participants must be officially employed or affiliated with their representing company.

## Match Format

- Matches will be played as best of 3 games.
- Each game goes up to 11 points (win by 2 rule applies).
- The team that wins 2 games first wins the match.
- In case of a tie in points (10-10), play continues until a team leads by 2 points.
- Serve rotation and side changes occur after each game.

## Basic Game Rules

- Standard USA Pickleball Rules apply, with CSL time adaptations.
- The serve must be underhand and made diagonally cross-court.
- Each team gets one serve attempt (no second serve).
- The serve must land beyond the non-volley zone (kitchen line).
- Only the serving team scores points.
- Players must allow the ball to bounce once on each side before volleys are allowed (“two-bounce rule”).
- No player may volley (hit in the air) inside the non-volley zone.
- Switching sides is allowed after every game.
- Let serves (ball touching the net but landing in service box) are replayed.

## Scoring

- Each game: first to 11 points (win by 2).
- Points can be scored only by the serving side.

**Score format:** Server Score – Receiver Score – Server Number (1 or 2).  
Example: “4-2-1” means 4 for server's team, 2 for receiver's team, first server serving.

## Time & Walkover Rules

- Each match slot is 20 minutes.
- Teams must report 15 minutes prior to scheduled time.
- Delay beyond 10 minutes will result in a walkover.
- Matches running overtime will be decided on current points if required.
